

Gunavati

Go^ Do not bring a curse
upon
this house.

Govinda

Woman's smile removes all
curse
from the house, her love is
God's
grace.

Gunavati

Go, and never show your
face to me
again.

Govinda

I shall come back, my
Queen, when
you remember me.

Gunavati

[Clinging to the King's feet.]

Par-
don me, King. Have you
become
so hard that you forget to
respect
woman's pride ? Do you not
know,
beloved, that thwarted love
takes the
disguise of anger ?
